

Community Assembly Statement

We, the Aboriginal Community Assembly, acknowledge the traditional countries, lands and waters across our state. We acknowledge our Ancestors, Elders, and Communities who are at the forefront of our minds, and will be across the time over which we will meet.

We reflect upon the history of our shared survival, our spirit of resilience. We acknowledge our diversity and difference as a platform of strength. We are united as a group, and we are committed to being inclusive in our approach to deliberation and making recommendations.

This is another step towards the development of a Representative Body, which will represent our mob and create a Treaty Negotiating Framework. We, as the Community Assembly are not negotiating a Treaty or Treaties on behalf of Aboriginal people in Victoria.

Our role is to make recommendations to the Working Group on the following five questions.

Your voice is critical in this process and will be heard. Please consider these questions, and contribute your opinions via the Community Assembly portal – <http://communityassembly.com.au>
